

INTERNATIONAL ASSOCIATION FOR ELECTROSMOG-RESEARCH IGEF
IGEF CERTIFICATION AUTHORITY

CERTIFICATE

The results of the electro-biological study by the Certification Authority IGEF confirm,
that the

IHS - Infrared Heat System

of the company IHS - Infrarot Heizsysteme GmbH; Am Ökopark 5, A-8230 Hartberg
meets all the requirements of the International Association for Electromog-Research
IGEF for the IGEF test seal distinction.

The requirements for the IGEF test seal award are to be verified once a year.

18 November 2009

Wulf-Dietrich Rose

President of the International Association for Electromog-Research IGEF
